Hey I'm a Neanderthal - Don't Treat Me Like an Australopithecus!

Now that you have seen NOVA: Decoding Neanderthals you will engage in a campaign to combat the poor pop culture image of the Neanderthal. You have a choice of creating one of the following to show your knowledge about Neanderthals.

3. A speech - at least 1 page that you would present to National Council of Discrimination Against Non Homo Sapiens. Must be typed.
4. Comic Strip - at least 5 cells long. Must be either colored or outlined in ink and "professionally drawn" (if you are not the best artist, you may still do this project, but you must color it). The comic strip must also have wording that explains each cell.
